CALENDAR PROPOSAL FOR VIDEOCONFERENCES

CEA ALCANTARILLA

SESSION / PROPOSED DATES	TOPICS THAT WE WOULD LIKE TO DISCUSS	PROPOSED OUTLINE / QUESTIONS
Session 1: June 4 th 2021	Introduction: The Swedish Educational System Social inclusion	<ul style="list-style-type: none">• So as to become better acquainted, we will be presenting a short video to introduce you to our school and the area where it is located. This will give you a better idea of what our school is like and the challenges we face.• Because we understand that the environment tends to determine the necessities of a school:<ul style="list-style-type: none">○ What is Norrköping like?○ What does the population do in terms of work?○ What's the immigration rate?○ What's the unemployment rate?○ Does it shape the school in any way?• As regards the school:<ul style="list-style-type: none">○ What formative courses do you provide?○ Are they formal? Non-formal?○ Is there a specific type of students attending each course?

		<ul style="list-style-type: none">• In our school, absenteeism is an issue. Do you have this problem? If so,<ul style="list-style-type: none">○ What are the main reasons for absenteeism?○ How do you fight against it?
Session 2: June 18 th 2021	Digital technologies Workshop	<ul style="list-style-type: none">• As regards digital technologies,<ul style="list-style-type: none">○ How are they included in your methodological approach?○ What is the level of digital competence in your school for teachers and students?○ Do you assess digital competence in any way?○ Are there any courses in which you find it is more difficult to implement digital technologies? Why is that so? How could you overcome that situation?○ What digital tools or resources do you use in your school?• We would like to share the activities that have been done in the school as regards the topic of our project ("Social Inclusion by means of Digital Technologies").• We would also like to see how you implement digital technologies in your classes. So, we could either attend a live class or you could design a lesson / activity for us to see and do. Any other ideas that you may have will be most welcome.
